Attached is the final, signed CSTAG memo. We will need to develop a formal response to this within 30 days. Diane can talk to you about a schedule for this, but I suspect we'll need a draft within the next few weeks. As we've discussed, Diane has already asked you to start thinking of responses.

I will be sending this memo to the CPG (and we will be discussing with this with at Monday's meeting) and NJDEP (I will be letting them know that we will schedule a meeting with them soon [possibly within the next week or so] to discuss, the RAOs and any other concerns they have with an interim remedy. I will also be sending this to our community involvement coordinator, Shereen Kandil, so that she can share this with the CAG, which I suspect will want to discuss this at the next CAG meeting on May 10.

Please let me know if you have any questions, or if you think we need to talk again tomorrow, before Monday's meeting.

Thank you all for your work on this!
